HORROR / THRILLER	

The shuttle reached my designated stop which was about a mile and a half away from home. I hiked back, but as I approached our house, I received a new message on my Chingu account from someone calling themselves "Your Friend." It read, "Kill your neighbor or your wife will be killed. Livestream it in the next five minutes and post on Chingu with the tag #killorbekilled. I give you this chance to save her only because of our friendship." I thought it was some sick spam message and made a note to file a bug. But an audio file was attached. "Cecil," Rosa said. "Please help me. This man says he'll kill me unless you do as he asks." It was definitely her voice.

I immediately called her, but her phone was turned off. I rushed to my house, but in the second floor window where my wife's personal office was, I saw a stranger peer back. He was wearing a sanitary mask so I couldn't see his face. But he held up a knife. I felt my chest constrict. I checked my home security feeds and saw someone break into the house earlier in the day. I called Rosa again. There was no reply. I didn't know what to do, but then I heard someone say, "Hey Cecil."

I looked over. It was my neighbor, Edward. He was an older gentleman who'd always been very kind to us. He had an errant tuft of white hair above him and wore a Warriors shirt. He was watering his flowers, which he meticulously took care of every day. He served in Vietnam, still had a limp after getting shot twice in the leg. His kids lived out in Indiana and visited every winter break. He had a Pomeranian he took out for walks every day at noon.

"One minute left," I received the warning via Chingu message. Another audio file was attached. This time, Rosa was screaming in agony and pleading, "Stop! Please stop!!!"

I wanted to call the police, but I didn't have enough time. *What should I do? I can't let him kill Rosa, but Edward...*

The next thirty seconds felt like an eternity. "It's time," the message notified me.

I tried to set up the livestream, but then fumbled my phone. I nervously picked it back up, then placed the camera on the ground. I didn't check the angle, just hit record. I moved towards Edward, not sure how to kill him. I didn't have any weapons on me and there wasn't anything I could use in close proximity.

"Nice weather today," he said with a friendly smile. "Got any plans?"

My hand shook. I felt my breathing speed up. The closer I got, the more uncomfortable Edward appeared.

A look of shock came to his face when I... when I punched him and strangled him with the water hose. He struggled desperately. *Why are you doing this?* his confused expression asked me. There's a moment in everyone's eyes when they realize they're going to die and hope bolts away. Damn... To suffer so much in his life, then to have it ended this way... I hated myself. Everything became blurry to me until I heard another car approach. The car stopped, the door opened, and I heard a scream. I looked around and was stunned to see Rosa.

She hadn't been home...

The Friendship Killer used the AI audio tools of the company I was helping to acquire to fabricate Rosa's voice. The Killer used information from my socials to learn everything about me. I showed the police the messages and played the audio of the AI-generated Rosa for them as well. My livestream of the killing of Edward only captured the terrible noises he made as he struggled for life since my camera was pointed at the ground. But somehow, the killer got hold of our security cameras and posted the footage with the #killorbekilled hashtag. It went viral for all the wrong reasons. Nowadays, people are at least aware of AI scams involving fake voices. Back then, despite working in tech, I had no idea that was even possible.

The trial was a circus. Rosa left me during that time. She said she couldn't get the

EVERY HOUSE HIDES A SECRET

MIKE CAREY'S COMICS RETURN

New York Times bestselling writer and master of the macabre, **Mike Carey** (*LUCIFER, X-MEN*) makes his long-awaited return to comic books, combining his powers with groundbreaking fine art illustrator **Jonathan Wayshak** (*SPAWN: VIOLATOR*) to deliver a nightmarish new vision for the horror genre.

What lurking evil lies hidden at the end of the cul-de-sac?

Nestled in a tucked-away corner of sleepy suburbia, the Kingsley, Herriman and Ortega families seemed like any other close-knit neighbors. So nothing seems amiss when Mrs. Kingsley piles all the neighborhood kids into the family RV for their annual summer camp-out. But in the dark of the woods, she unleashes a grisly, bloodcurdling display, revealing their families' shocking secret—their parents are vampires and they're eager to pass on their legacy.

Now the children must choose—to join them and revel in their awesome dark powers or live out their lives as mortals. But when they return home, they confront a gruesome scene—their parents dead on the floor, brutally murdered by an elite squad of vampire hunters. And the hunters? They're looking to finish the job. Now the kids are on the run, chased by vampire hunters, the police, and even a shadowy cabal of their fellow vampires as they search for answers to unlock the secret of what they really are before their fates are sealed forever.

OFFICIAL BAD IDEA + CGC COLLABORATION

CGC and BAD IDEA have joined forces to hunt vampires!

Did you know that inanimate objects like comic books can become vampires? And what's the best way to kill a vampire? A stake through the friggin' heart! And that's exactly what we did. Punch a stake right through a CGC holder and the comic book inside.

And now you can own one! Like the invisible comic before it, this CGC comic book has been transformed into an incredible art piece.

A 3-person team of engineers spent 7 months figuring out the right combination of repetitive heating and cooling to puncture a CGC holder without cracking it. A 30-year veteran woodmaker has hand crafted the stakes that puncture the comics. And a big budget Hollywood special effects wizard created the blood.

Inside is an ultra-limited edition of CUL-DE-SAC with a print run of just 36 copies. Each of these limited edition copies features a vampire bite mark through the book. They come staked through the holder and book and sit up right when leaned against the stake. Perfect for displaying.

These are only available here on a first come first serve basis. Hurry, supplies will not last!

THE SECOND VOLUME IN THE SAGA OF THE MASK OF HALIYA, BY AN INTERNATIONAL, ALL-ASIAN, ALL-FEMALE CREATIVE TEAM!

KWENTO COMICS

Writer: **Kaitlyn Fajilan**
Artist: **Susan Bin, Vik Caedo**
Cover artist: **Linéa V.J.**

As darkness rises and family secrets are revealed, *The Mask of Haliya: Echoes of the Forgotten Past* plunges us deeper into the soul of ancient Filipino mythology, where sinister forces stir and paths begin to intertwine. Haunted byfragmented memories, Isla races against time to unearth her buried past and protect the Mask's new heir. Meanwhile, Mari grapples with her emerging powers and an awakening that thrusts her into uncharted territories. Deep within the forest, a malevolent organization's activities draw suspicion as whispers of forbidden rituals and monstrous creatures surface.

Will they survive the impending danger, or will they be consumed by the very myths they seek to understand?

...The battle for the Mask has only just begun.

London, 1888...
You're a worthless fuckin' traitor to all of Ireland! To the Cause!
To "the Cause?" You believe that?
Don't be bloody stupid!
Why engage the world in such a fashion? It's focus, aye? A sharpness with what's required.
Which me pa felt was lacking in me as a child. Felt it would gain me some treasure in life, provided I find it.
Instead, I have you...and the murderous hostility you openly represent.
Fuck off with "the Cause" and your bloody mayhem!
Your father would spit on you!

My father...?
My father only tolerated "the Cause" when you fucks kept his cup full at the **pub!**
Now, I suggest you drop that match else I let Inspector **Mullens** here put a bullet through your head!
Maybe God'll forgive you for collaborating with the Brits, cuz I surely will not!

Everyone, down!
KA-BOOM!
WHUMP!
Easy now, sir. Do this, and it's your career...and you'll be no **better** than them.
What you fail to get, Shepard, is you and I want the same things-
-but murder is **never** the means of achieving what's desired.

Thank you, Sergeant. You've got a cooler disposition than most of...
...my fellow Irishmen? You believe that? With all that's honest between us?
Regardless, no offense.
None taken. Littlechild is going to require a report. Can you keep him by the wayside for a spell?
Do my best. Where are you heading.
To try and save my career.
Anyone gives you reason or suspicion, bring them in. Aye?
QUEEN'S HEAD PUB

Somerset and his men enter a full house of seedy intent...
Constable, begin our evening of record with that man.
The bang-tail as well?
Not so long as she makes clear she's keeping her place.

In March 1937, a comic book was published that changed the world as we know it. Now, 1,099 issues later, some of comics' top talents have gathered to celebrate the comic that birthed a legend!

Tom Taylor and Mikel Janín join forces once again to tell a heartfelt and action-packed story of Batman rescuing a young boy's best friend. Greg Rucka and Álvaro Martínez Bueno team up for a tale that asks the question: was Gotham better off before Batman? Mariko Tamaki reunites with *Detective Comics* collaborator Amancay Nahuelpan for a yarn that explores Bruce Wayne's world outside of the cowl and how his double life as Batman intersects with his alter ego's actions. Dan Watters and legendary artist Bill Sienkiewicz bring us a story that illustrates just how similar Batman's motivations are to the criminals he has sworn to fight and how he fights against his own darkness.

CANNON

LEE LAI

A LAMBDA Award winner and breakout fiction sensation returns with a darkly funny slice of friendship strife

We arrive to wreckage—a restaurant smashed to rubble, with tables and chairs upended riotously. Under the swampy nighttime cover of a Montreal heat-wave, this is where we meet our protagonist, Cannon, dripping in little beads of regret sweat. She was supposed to be closing the restaurant for the night, but instead, well, she destroyed it. The mess feels a bit like a horror-scape—not unlike the horror films Cannon and her best friend, Trish, watch together. Cooking dinner and digging into deep cuts of Australian horror films on their scheduled weekly hangs has become the glue in their rote relationship. In high school, they were each other's lifeline—two queer second-generation Chinese nerds trapped in the suburbs. Now, on the uncool side of their twenties, the essentialness of one another feels harder to pin down.

Yet, when our stoic and unbendingly well-behaved Cannon finds herself—very uncharacteristically—surrounded by smashed plates, it is Trish who shows up to pull her the hell outta there.

In *Cannon*, Lee Lai's much anticipated follow-up to the critically acclaimed and award-winning *Stone Fruit*, the full palette of a nervous breakdown is just a slice of what Lai has on offer. As Cannon's shoulders bend under the weight of an aging Gung-gung and an avoidant mother, Lai's sharp sense of humor and sensitive eye produce a story that will hit readers with a smash.

DO ADMIT: THE MITFORD SISTERS AND ME

MIMI POND

Mimi Pond crafts a gorgeous, dazzling biography of the Mitford Sisters

Born with pedigrees but without the pocketbooks to match, The Mitfords were certainly no strangers to lies, intrigue, or scandal. Nancy, Pamela, Diana, Unity, Jessica, and Deborah. All six sisters were weaned on their family's well-documented upper class eccentricities: a ne'er do well would-be entrepreneur father; a stern, stiff-upper-lipped mother; a revolving door of governesses of varying propriety, all against the backdrop of a crumbling estate falling into disrepair.

The sisters grew from cloistered turn-of-the-century country girls into debutantes who would marry into political influence—for better or worse. Is it any wonder that a young, working class Mimi in Southern California becomesenamored with The Mitfords' downright fanciful rich-and-famous lifestyle? This charming, inventively cartooned, and lovingly researched biography captures the dramatic, over-the-top antics of high society's strongest personalities as they rubbed elbows with some of history's most infamous fascists and communists.

Pond's genius for classic cartooning in the vein of the *Vanity Fair* caricature and the satirical illustrations of Charles Addams brings the aesthetic decadence of the 1920s and '30s to life with effortless aplomb, warts and all.

Growing up
in the exact
middle of nowhere...
The Mitford sisters were raised in isolation in the English countryside in the early part of the 20th century.

Other Mitford biographers point out the contradictions between the sisters' accounts, taking sides in the same way the girls did with each other.

This is what fascinates me most. They each had an innate talent for shaping entertaining narratives and for making their lives seem epic – which they were. So I don't mind, really...

Growing up in Southern California in the 1960s and '70s, my world was only about 60 years old.

The oldest bungalows in my neighborhood were maybe just pre-World War I...

and the newest were what came to be called "dingbat" apartment buildings...

which, during my childhood, popped up like mushrooms in what had been a community of single-family homes.

The construction sites, with their plumbing trenches, unfenced and unguarded, were perfect places for weekend combat...

which we watched on t.v. not only on ABC on Tuesday nights...

but also every night on every network.

I wouldn't have been dying in those dingbat trenches if I'd had sisters instead of brothers.

If I'd been aware of six sisters growing up isolated in the English countryside in the first three decades of the 20th century...

I would have known my bedroom closet would be the perfect portal through which to access them...

since Decca and Debo* used to hide in a linen closet for secret meetings of their Hons Society. They called it the Hons Cupboard,

not because, as the daughters of a baron, their honorific was "Honorable" or "Hon." It was named in homage to the family hens under their charge.

* nicknames for Jessica and Deborah

It would have helped to know someone besides me felt they belonged elsewhere.

San Diego, California 1968

Forty years earlier, twelve-year-old Jessica Mitford was making plans too.

Swinbrook, England 1928

Jessica's oldest sister, Nancy, already a failed debutante, dropped out of art school after a month and came home.

* I would've killed to have had an older sister who called me "darling."

Jessica knew she'd need capital.

She wrote Drummonds Bank and opened up a "running-away" account.

Amended with money made from looking after the family chickens with her sister Debo,

who spent long hours perfecting the exact expression of a hen about to lay an egg...

good fortune struck when Jessica's doctor saved for her her appendix he'd removed...

It was no trouble at all to relieve Debo of the pound she'd been saving. It was added to the running-away account.

Why would Jessica need money? If you assumed that because their father was a baron that they were wealthy, well...

it's complicated.

To describe Batsford Park, the home David Mitford had inherited, as simply, "a rambling Victorian pile"...

suggests to the American imagination something in the Charles Addams or Edward Gorey realm...

But in fact, their grandfather, Algernon Bertram Freeman-Mitford, aka "Berty," had been a diplomat in Asia and had written extensively on Japanese culture and horticulture.

He was rumored to have fathered two children...

with a Japanese geisha.

He was also rumored, through a dalliance with his wife's sister...

1885

to be the actual father of Winston Churchill's future wife.

Berty consulted with Gilbert & Sullivan on "The Mikado"...

miya sama, miya sama, on n'm-ma no mayé ni...

teaching them the Japanese song that became the entrance march for the famed comic opera.

In 1886, Berty inherited an estate of over 10,000 acres, where he erected a palatial manor with five grand staircases...

Batsford Park

and one hundred rooms.

He also constructed a 55-acre arboretum...

that involved gouging a half-mile ravine and hauling thousands of tons of limestone to form a rocky gorge with a stream...

whoopee!

merrily blowing through the rest of his money before his death in 1916.

Moving into the immense Batsford Park was only a temporary measure. Even though David Mitford had inherited the modern equivalent of over two million dollars, it was insufficient to maintain this immense property.

David Mitford had...
been a tea planter
in Ceylon...
lost a lung
in the Boer War...
re-enlisted in
WWI....
prospected for gold
in Canada...
Asthall Manor
his wife
Sydney
his one son
Tom
the Mitford home from 1919-1926
Nancy
Pamela
Diana
Unity
Jessica
Deborah
but nothing could prepare him for being the father of six intelligent, opinionated, strong-minded girls.

OVER EASY

MIMI POND

A fast-paced semi-memoir about diners, drugs, and California in the late 70s

After being denied financial aid to cover her last year of art school, Margaret takes a waitressing job at local Oakland fixture: the Imperial Café. Here an impressionable young woman transforms into the worldly Madge as she is introduced to the wisecracking, fast-talking, drug-binging cooks, dishwashers, and waitstaff in her new life. At first she mimics these new and exotic grown-up friends, trying on the guise of adulthood with some awkward but funny stumbles. Gradually she realizes that these adults she idolizes are a mess of contradictions, misplaced artistic ambitions, sexual confusion, dependencies, and addictions.

Over Easy is equal parts time capsule of late 1970s life in California—with its deadheads, punks, disco rollers, casual sex, and drug use—and bildungsroman of a young woman who grows from a naïve, sexually inexperienced art-school dropout into a self-aware, self-confident artist. Mimi Pond's chatty, slyly observant anecdotes create a compelling portrait of a distinct moment in time. *Over Easy* is an immediate, limber, and precise semi-memoir.

I'D SCRAPED UP ENOUGH CHANGE TO BUY A CUP OF COFFEE.

I'D WALKED THE SIX BLOCKS FROM SCHOOL.

IT FELT GOOD TO GET OUT OF THERE, AWAY FROM THE NEWS I'D GOTTEN, AWAY FROM ART, OUT INTO THE FRESH AIR.

I'D DECIDED NOT TO GO TO DAVE'S, AN UNTOUCHED MONUMENT OF A 1950s DINER.

I HAVE FILLED SKETCHBOOK AFTER SKETCHBOOK WITH DRAWINGS OF THE CUSTOMERS THERE, THEIR FAT BUTTS CRAWLING OVER THE EDGE OF THE STOOLS. I HAVE DRAWN THE COFFEE POTS...

SECURE IN THEIR BUNN-O-MATIC STATIONS...

I HAVE DRAWN THE NAPKIN DISPENSERS...

AND I HAVE DRAWN THE WAITRESSES.

I ADMIRE THE WAITRESSES AT DAVE'S BECAUSE THEY ARE NO-SHIT GALS WITH NAMES LIKE BEA AND MYRNA, WOMEN WHO KNOW ABOUT REAL LIFE, NOT LIKE ME, A SNIVELING, PRIVELEGED GIRL WHO HAS DONE NOTHING BUT DRAW, REPEATEDLY, MANY BUS INTERIORS, NUMEROUS BUS DEPOTS, AND COUNTLESS COFFEE SHOPS IN ORDER TO TRY TO PIN DOWN REAL LIFE.

I SHOULD ALSO ADD THAT I HAVE SPENT TOO MUCH TIME ALONE IN MY ROOM WITH TOM WAITS ALBUMS.

THESE WAITRESSES ARE NOT DISPOSED TO THINK KINDLY OF ME. ART STUDENTS ARE NOT GOOD TIPPERS.

I NEED SOMETHING NEW.

I GET TO THIS PLACE. I'D ASSUMED IT WAS AN ABANDONED CHINESE RESTAURANT.

BUT THE SIGN SAYS "OPEN."

THE MINUTE I OPEN THE FRONT DOOR, THE SMELL OF COFFEE IS OVERWHELMING AND NARCOTIC,

TO MY SURPRISE, INSTEAD OF A TEENY, FACTORY-SEALED PLASTIC CONTAINER OF NON-DAIRY PRODUCT LIKE THEY GIVE YOU AT DAVE'S...

SHE GIVES ME A TINY BEAKER OF REAL CREAM ALONG WITH MY COFFEE.

EVEN THOUGH I TOLD MYSELF I WOULDN'T, I PULL MY SKETCHBOOK OUT OF MY BACKPACK AND GET OUT MY FOUNTAIN PEN. I BEGIN TO DRAW THE WHOLE TABLEAU HERE.

AND NOW THIS GUY WHO IS NOT CHINESE, WHO HAS TWIRLED IN WITH THE CHINESE PARSLEY, PLOPS DOWN ON THE SEAT NEXT TO ME.

I INSTANTLY RECOGNIZE THE COMIC, DRUGGY ALTER EGO. IT'S ONE OF THOSE THINGS PEOPLE ANYWHERE FROM TWO TO TWENTY YEARS OLDER THAN ME LIKE TO DO— GIVE THEMSELVES SILLY ALIASES:

THE SUBTEXT IS THE CONCEIT THAT THEY ARE ACTUALLY SO SUBVERSIVE AND DANGEROUS (SOMETHING TO DO WITH DRUGS OR REVOLUTION) THAT THEY MUST TRAVEL UNDER ASSUMED NAMES. I MISSED THE COUNTERCULTURAL BOAT BY BEING JUST A LITTLE TOO YOUNG. I USED TO REGRET THAT. THE LAST COUPLE OF YEARS, THOUGH, THE WHOLE HIPPIE THING HAS STARTED TO GET ON MY NERVES.

BUT LAZLO MERENGUE'S FACE IS WIDE AND OPEN. I CAN'T DISLIKE HIM.
I'M MARGARET.
WHAT YOU GOT THERE?
IS THAT DAVE'S?
YEAH.
YOU'VE REALLY CAPTURED THE WAY THE ASSES HANG OVER THE STOOLS.
HEY! IS THAT SHIRLEY?
I DECIDE TO TELL HIM MY SHIRLEY STORY.
THE OTHER DAY, THIS OLD GUY DODDERS UP TO THE COUNTER AND ASKS SHIRLEY, "CAN YOU HELP ME? I NEED TO USE THE RESTROOM."
SHIRLEY SAYS, "WELL, HON, I'LL GIVE YOU THE KEY, BUT I AIN'T GONNA HOLD IT FOR YOU."

LAZLO THROWS BACK HIS HEAD AND CACKLES. HE HAS SUCH A WELCOMING LAUGH.

IT IS A BUBBLING FOUNTAIN OF ENTRE NOUS.

HE CERTAINLY IS FORTHCOMING, A SWITCH FROM THE BROODING, WILLFULLY OBLIQUE BOYS WHO'VE BEEN DRIVING ME CRAZY FOR THE LAST THREE YEARS OF ART SCHOOL. ABRUPTLY, I BLURT OUT:

I AM LONELY AND LUMPISH. I LACK ANY INSTINCT FOR THE FEMALE MYSTERY.

THERE IS ONLY THE SMALLEST AWKWARD HALF-BEAT.

HE PICKS UP MY SKETCHBOOK AGAIN.

I GET AN IDEA. THIS IS ONE OF THOSE MINGY, FREELOADING THINGS I HAVE LEARNED TO DO AS A STUDENT.

...SAYS LAZLO, CHANGING MY IDENTITY IN AN INSTANT.

SAMMY EXAMINES MY DRAWING AT EXTREMELY CLOSE RANGE.

LAZLO GIVES ME THE TOUR.

I KNOW YOU HAVE TO BEHAVE AS THOUGH DRUGS ARE SIMPLY MISCHIEVOUS FUN. THIS IS BEFORE THEY BECOME A MAJOR THEME.

ALL OF THIS SEEMS SO FAMILIAR THAT I FIND MYSELF TRYING TO REMEMBER WHERE AND WHEN I MET THESE PEOPLE. IT SEEMS LIKE WE'VE ALREADY KNOWN EACH OTHER FOR YEARS...

I AM REMINDED THAT THESE PEOPLE, UNLIKE ME, ARE ACTUALLY WORKING.

MELISSA MENDES

A relative's depression-era diary inspires a young woman's journey to adulthood

Edie comes into the world calmly as the adults around her rage. Her father is a cruel man who beats her mother regularly and much of Edie's young life is spent trying to escape this tyrant. "Why doesn't she ever cry?...Gives me the creeps." Of course, being a child means she lives a child's life—she still has laughter-filled sleepovers and outdoor adventures with the local rat pack of kids still too young to work. But Edie's heart grows callous as her father becomes drunker and angrier.

Melissa Mendes' pastoral cartooning captures the openness of rural America—soft breezes, tall grass, whirring grasshoppers, rainstorms, skinned knees. But all the while, the cruelty, the disappointment of man lurks behind the barn and in the trailer. Life can be stubbed out as easily as a cigarette tossed in the dirt. One moment all focus, next, gone without a thought. Will Edie find herself repeating a cycle or will she be free like she felt as a child?

THE COMPLETE HATE VOLUME 1

By Peter Bagge

$29.99 / SC / 348 pgs / B&W / 7.3″ × 10.5″
ISBN: 979-8-87500-109-3

The definitive edition of the Great American Grunge Graphic Novel, now collected in paperback for the first time!

Peter Bagge, along with the Hernandez brothers and Daniel Clowes, is one of the primary architects of the alternative comics genre that exploded in the 1980s and 1990s. His compelling and best-selling comic book series *Hate* chronicled the exploits of Buddy Bradley and his gang of lovable losers through the rise and fall of the grunge era, and beyond. Going beyond mere satire, Bagge's observations helped fashion the aesthetics and attitudes of the only significant youth movement to emerge from the Pacific Northwest. A contemporary review by Bruce Barcott in the *Seattle Weekly* stated, "Twenty years from now, when people want to know what it was like to be young in 1990s Seattle, the only record we'll have is Peter Bagge's *Hate*."

The Complete Hate is a new paperback series that includes the original 30-issue run from 1990–1998, the nine subsequent *Hate Annuals*, and tons of other *Hate*-related comics, illustrations, and ephemera created for books, magazines, comics, toys, and other merchandise. Bagge combined his cartoony drawing style with uncomfortably real Gen X characters, and the comic books resonated with readers. *Vol. 1* collects the first major arc of the series, (*Hate* 1-15), focusing on young Buddy Bradley's travails in early 1990s Seattle, with a lengthy introduction by Bagge. Each volume contains new covers, endpapers, title pages, and other surprises by the author.

BUFF SOUL

By Moa Romanova

$29.99 / HC / 240 pgs / FC / 7.6″ × 10.3″
ISBN: 979-8-87500-068-3

Eisner Award winner Moa Romanova returns with an autobiographical graphic novel about accompanying her rock star bestie on a U.S. tour, fueled only by alcohol, drugs and sex.

How do you prevent history from repeating itself, and is it possible to protect the one you love from themselves? When cartoonist Moa Romanova joins her rock star bestie on a U.S. tour, life quickly turns chaotic, as adolescent trauma begins to haunt her.

Buff Soul tackles addiction, friendship, and loss in a rollicking road trip adventure involving selling speed, breaking bones, massive hangovers, drug withdrawal, having your entire fist inside your best friend, and shooting guns in the desert. What begins as an insanely comical, hedonistic road trip in the spirit of *Pineapple Express*, takes a dark turn when her best friend disappears. This event triggers memories of an adolescent trauma she had yet to reckon with, leading Romanova to confront the reality of how far she's let her self-destruction go.

THE MOON PRINCE

By Kevin Fraser Mutch

$29.99 / SC / 448 pgs / FC / 7.5″ × 9″ · ISBN: 979-8-87500-075-1

This fantasy graphic novel, starring bi-racial orphans Max and Molly, is a rollicking adventure to the Moon with a powerful anti-racist message.

Mistreated for being mixed-race and forced into hard labor at a workhouse in West Hoboken, New Jersey, young Max and Molly are ordinary orphans — or so they think. That is, until a wise old man hears their last name: M'Chawi. Rattled by this realization, he sends them off on a journey that will uncover the secret behind their mystic lineage and give them purpose and power far from home — on the Moon!

The Moon is a land locked in constant battle. Races live in fear and ignorance of one another. To make matters worse, the siblings' getaway isn't as clean as they'd hoped, and the Earth Queen's Grand Inquisitor is hot on their trail. Armed with a bejeweled dagger, pendant, and pure hearts, Max and Molly must unite the denizens of the Moon under a common cause, before humanity's folly reduces their world to rubble. Equal parts Jules Verne and *Bone*, *The Moon Prince* is a star-spanning, page-turning epic for the ages.

LASER EYE SURGERY

By Walker Tate

$19.99 / SC / 96 pgs / B&W / 8.5″ × 11″
ISBN: 979-8-87500-154-3

A chance encounter with a misplaced flyer leads to disaster as a seemingly ordinary eyesight-correction operation takes on sinister overtones.

"Correct your sight - See what you've been missing." An unnamed man decides to adjust his sight, setting him and the reader down a path of confusion and mistrust. As optical defects begin to emerge from the operation, the man begins to doubt his own senses. Impressionable and easily alarmed, the man comes to suspect he has received much more than he paid for.

Set in a bleak world without much to see, cosmic dangers lurk just out of sight in the corner of one's eye. If only there was a way to see them better... Fixed views deteriorate in this warped account of a surgical procedure gone awry. As the man's vision continues to change in unforeseen ways, he plunges down a path of confusion and intrigue, no longer sure what to trust. Are the perceived dangers present, or merely thought to be, and which is worse? Shifty and withholding, steeped in paranoia, *Laser Eye Surgery* is a comedically unsettling rumination on perception and its trappings — and a formidable debut graphic novel by New York cartoonist Walker Tate.

SHOT DOWN. HUNTED. OUT OF TIME.

THE NEW ONGOING TWO-FISTED WAR EPIC FROM REMENDER & ACUÑA STARTS HERE.

From the creative team of ***New York Times*** bestselling author **RICK REMENDER** (**DEADLY CLASS**, ***Uncanny X-Force***) and powerhouse **DANIEL ACUÑA** (***Captain America***, ***Black Panther***)—the duo behind Marvel's ***Uncanny Avengers***—comes a savage, full-throttle wartime thriller where survival isn't given...it's taken.

Milton Shaw is a battle-hardened bomber pilot, flying missions over a war-torn world ruled by a ruthless empire. But when his plane is shot out of the sky, Milton wakes up behind enemy lines—in the smoldering ruins of a city he helped burn. And in less than 24 hours, his own side is dropping the big one to finish the job.

Now, injured, unarmed, and being hunted through enemy streets, Milton's only shot at escape comes from the unlikeliest place: a grieving father and his son—civilians shattered by the same fascist regime that rules this land with an iron claw. Enemies by blood. Allies by circumstance. Together, they'll have to fight their way out before the bomb drops and erases everything...and everyone.

Set in a brutal, fully painted world of anthropomorphic animals—think ***Inglourious Basterds*** meets ***Blacksad***—**ESCAPE** is a gritty, bullet-riddled journey through war's scorched aftermath. It's about the violence we inflict, the souls we try to save, and the courage it takes to crawl out of fire.

MY FIRST DAY ON THE NEW JOB.
I'VE NEVER BEEN IN A CARE HOME AND I DON'T KNOW MUCH ABOUT DEALING WITH THE ELDERLY. SHERM RECOMMENDED ME, AS HE THOUGHT I HAD THE RIGHT PATIENCE FOR A JOB LIKE THIS.
HE TOLD ME IT WOULD BE SIMPLE, THAT THIS WAS A SPECIAL PLACE WHERE THERE WERE NO MORE THAN A HANDFUL OF USERS. AND THAT MOST OF THE TIME I WOULD BE LOOKING AFTER JACK, THE OLDEST PERSON THERE.
A UNIQUE, WITTY GUY, WHO WAS ALWAYS TELLING THE MOST AMAZING STORIES.
JACK, WE'RE LEAVING YOU HERE FOR A MOMENT AND WE'LL BE RIGHT BACK, OK?
ANOTHER HALF AN HOUR AND YOUR FRIENDS SHOULD ALL BE IN THE GARDEN.
OK, BOYS!
$#&&%!!!
TUMP!!!

JACK HASN'T BEEN WELL, YOU KNOW?
ESPECIALLY SINCE MARTIN LEFT.
HE WORRIES ME...
SO WHAT'S HE SUFFERING FROM?
APPARENTLY NOTHING, AT LEAST THAT THE TESTS SHOWED. BUT HE'S BEEN HAVING MEMORY LAPSES THAT WEREN'T COMMON AT ALL.
BUT ISN'T THAT NORMAL AT HIS AGE?
HE'S BEEN OLD FOR A LONG TIME, MIKE...
(HUMM, IT'S TIME FOR THEM TO GO OUTSIDE)
THAT'S IT. NOW YOU KNOW THE WAY AROUND THE HOUSE.
LET'S CALL THEM IN, THEN.
HEY, FELLAS, IT'S PLAYTIME!
BILL! PUT THE FISH DOWN. COME ON!
BUT HE'S ALWAYS BEEN ABLE TO TELL STORIES FROM BEGINNING TO END, WITH DETAILS THAT EVEN GUYS OUR AGE WOULDN'T REMEMBER... ONLY LATELY...
LET'S SEE... MAYBE HAVING A NEW PERSON TO TALK TO WILL LIFT HIS SPIRIT.
WHAT'S CERTAIN IS THAT AFTER THAT, JACK ONLY GOT WORSE. AND HOW HE LOVED THIS PLACE...
YEAH... YOU CAN SEE WHY.
AND THAT... MARTIN? IS HE LONG GONE?
FAIRLY... I CAN'T EVEN TELL YOU FOR SURE.
(I'LL GIVE YOU THE MEAL TIMES, LATER ON)
JACK LIVED FOR HIS BOOKS. HE LOVED THAT LIBRARY.
(GO GET HIM AND TAKE HIM OUTSIDE, OKAY?)
OH... OK!
STEVE!
WALLY!
IN THE BEGINNING, I MANAGED WELL ENOUGH, BUT THEY GOT OLDER AND OLDER AND...
THEY HAD A NASTY ARGUMENT AND JACK DEMANDED THAT MARTIN BE SENT AWAY.
...BUT HE STARTED COMPLAINING THAT IT WAS GETTING HARDER AND HARDER TO KNOW WHERE THINGS WERE.
JACK USED TO LOVE TO COME UP HERE...
LET'S TAKE THE ELEVATOR AND I'LL SHOW IT TO YOU.
JACK WAS THE REASON MARTIN LEFT. HE FREAKED OUT BECAUSE THE GUY LEFT EVERYTHING MESSED UP IN THE LIBRARY.

I SENSED FROM SHERM'S WORDS THAT JACK WAS SO HEARTBROKEN THAT HE NOW FELT REPULSED BY THE LIBRARY.

YES... I'M JUST SHORT OF THIS PILE.

AS IF PUNGENCY HAD TAKEN OVER THE PLACE NOW.

AS IF THE CORRUPTION OF THE BOOKS' NATURAL ORDER ON THE SHELVES...

...DISTURBED THE NATURAL ORDER IN JACK'S VERY PECULIAR WAY OF THINKING.

I WANT YOU TO KEEP BRINGING ME YOUR BEST STORIES! ALL OF THEM!

AND THAT COHESION HAD BEEN HOPELESSLY DESTROYED.

The Island Nations of Arlynn were at war for millennia until the humans of Wintersea used their naval strength to dominate the elves, dwarves, and orcs and declared all gods except theirs to be fake. They use half-humans and converts to spy on the other races. Elven monk Omylia and half-elf ranger Vander were unwillingly conscripted to join a quest to find the lost gems of the crown of Amman-Tha, control of which would permanently cement the humans as the dominant force. CAN DOROTHY DISCOVER WHO KILLED THE LION OF OZ BEFORE IT'S TOO LATE?

Dorothy reunites with the Scarecrow at the Tin Man's tomb, only to discover that everything in Oz is not as it seems. The Wizard, now donning the armor of the supposedly deceased Tin Man, claims the Lion murdered their friend—but a darker truth lurks beneath. Meanwhile, Peter Pan and Hook form an uneasy alliance aboard the Jolly Roger, encountering Tiger Lily and her flying shark canoe warriors as they search for the kidnapped Tinkerbell.v

As Georgie escapes the Red Queen's dungeon with help from a surprisingly sane Mad Hatter, the true nature of the Jabberwock is revealed—a shapeshifting entity with the power to corrupt the purest hearts. When Dorothy confronts the Lion in the Wicked Witch's tower, she discovers the Beast has manipulated them all, turning allies against each other.

The issue culminates in a shocking transformation as the Jabberwock uses his golden crown to corrupt Dorothy herself, transforming the girl from Kansas into the Wicked Witch of the West, setting the stage for an epic confrontation that will determine the fate of the NeverWorld.

PANICK ENTERTAINMENT unleashes its debut title T.A.M.A.. We all had 'em—virtual pets like Tamagotchis, NeoPets, and Digimon. But what if, after years of neglect, one returned... for revenge? When a grieving, lonely teen stumbles upon an old virtual pet system, he finds comfort. But when gruesome deaths begin to follow, he wonders—could his digital companion be responsible? T.A.M.A. mixes the nostalgia of virtual pets with the generational phenomenon of Pokémon.

YOU CAN'T ESCAPE THIS GAME, EVEN IN YOUR DREAMS. Acclaimed creators Zac Thompson (*Into the Unbeing*—Parts 1 & 2) and Daniel Irrizari (*Judge Dredd*, *XINO*) enter an synapse-shredding new level of the groundbreaking science-horror hybrid that began with *CEMETERY KIDS DON'T DIE*!

One year ago, four friends barely escaped the unrelenting terror of the video game called *Nightmare Cemetery*. After spending endless hours locked into the innovative Dreamwave—the first gaming console played entirely while you sleep—in order to save one of their own from the game's all-too-real consequences, they survived . . . barely.

But after their harrowing rescue, they've decided they've had enough of *Nightmare Cemetery* and its enigmatic final boss, the King of Sleep. That is, until the newest DLC, *The Blighted Sprawl*, suddenly appears online with a promise to reveal the truth of what actually lurks at the heart of *Nightmare Cemetery*'s digital darkness . . . and why its effects are now bleeding out into the real world in an array of bizarre and disturbing new ways.

The sold-out series that AiPT! called "compelling sci-fi horror . . . that feels closer to home than it should" returns with a perfect new jumping-on point for the series that challenges Stephen King, Clive Barker, and David Cronenberg to a three-way PVP deathmatch in a cyberpunk haunted house!

"I'm saying all of that was never real in the first place. It is not that you will cease to exist, Marcus, it is that you never really existed in the first place. That life was always an illusion. Your dreams were always temporary. Your memories were always an invention. But you know, let's be honest, that's how it is for most people, when you get right down to it. You think you have this future. You think you have this past. But everything is always going away. Everything is always in the process of coming to nothing. But what I'm telling you, Marcus, is that I am different. For some cosmic reasons impossible to understand, I matter. I have a chance to save the universe . . . and you have a chance to save me. But Harley's hometown has a strange way of swallowing people whole—call it a consequence of the low-level folk magic that has permeated its darker corners for generations. And now that Harley has returned, pent-up vengeance for his past crimes is about to come roaring back. Somebody has put a hex on him—and Harley has seven days before he dies in twisted, screaming agony.

To reverse it, Harley must find and kill his unseen enemy before their curse can reap its terrible end. But in Briar Falls, there's no shortage of suspects—and Harley is coming for them all. If can't have peace, at least he can have revenge.

For over 20 years, the world of Courtney Crumrin—tween curmudgeon witch—has been brought to life by Eisner Award–nominated, *New York Times* bestselling author Ted Naifeh. Now, experience the story from the beginning!

When her parents run out of credit cards, they must move into the mansion of their creepy old uncle Aloysius, and grumpy young Courtney Crumrin is forced to endure the snobbery of her rich new classmates. But beneath the well-to-do-facade of her new town, Courtney discovers a secret world of magic, mystery, and creatures that go bump in the night. She'll need more than a scowl and an attitude to survive the dangers of monsters and magicians, of faerie magic and dark sorcery—of the Night Things.

Explore the realm that exists beside our own in this first-of-its-kind omnibus collecting the first three *Courtney Crumrin* graphic novels—*Night Things*, *The Coven of Mystics*, and *The Twilight Kingdom*—in a single volume!

I AM THE LAW: HOW JUDGE DREDD PREDICTED OUR FUTURE

WRITTEN BY
Michael Molcher

COVER ART BY
Pye Parr

Judge, jury and executioner, Judge Dredd is the brutal comic book cop policing the chaotic future urban jungle of Mega-City One, created by John Wagner and Carlos Ezquerra and launching in the pages of *2000 AD* in 1977. But what began as a sci-fi action comic quickly evolved into a searing satire on hardline, militarised policing and 'law and order' politics, its endless inventiveness and ironic humour acting as a prophetic warning about our world today - and with important lessons for our future.

This *Eisner* award-winning non-fiction blends comic book history with contemporary radical theories on policing, and takes key Dredd stories from the last 45 years and demonstrates how they provide a unique wake up call about our gradual, and not so gradual, slide towards authoritarian policing.

WINTER TURNING

PREVIOUSLY OFFERED THRU OTHER DISTRIBUTORS

The graphic novel adaptations of the #1 New York Times bestselling Wings of Fire series continue to set the world on fire! Daring mission... or deadly mistake? Winter has been a disappointment to his royal IceWing family his whole life. When his sister, Icicle, runs away from Jade Mountain Academy, fleeing terrible crimes and possibly planning to commit more, Winter knows that they both need a second chance to make things right -- if only he can find her. Winter's new clawmates, Moon, Qibli, and Kinkajou, won't let him make this dangerous journey alone. They don't seem to understand that IceWings, the most superior of all dragon tribes, can fix their own problems. When their search leads the dragonets straight into Queen Scarlet's vicious talons, Winter is grateful to have some help. But even the bravest dragons can't follow him to the Ice Kingdom, where he'll have to face the greatest threat of all: his own family. The #1 New York Times bestselling Wings of Fire series soars to new heights in the seventh graphic novel adaptation, with art by Mike Holmes.

WINGS OF FIRE TP VOL 08
ESCAPING PERIL

PREVIOUSLY OFFERED THRU OTHER DISTRIBUTORS

The graphic novel adaptations of the #1 New York Times bestselling Wings of Fire series continue to set the world on fire! Peril has been loyal to Queen Scarlet, who used her fatal firescales to kill countless dragons in the SkyWing arena. Now, Peril is loyal to Clay, the only dragonet who has ever been her friend. So when Scarlet threatens Jade Mountain Academy, Peril sets off to find her former queen, stop her, and save the day, no matter what it takes. There's just one problem: a strangely persistent SeaWing, Turtle, insists on coming along, too. Turtle is worried about his friends, who left to search for Scarlet and haven't returned. Peril is worried that she might accidentally burn Turtle -- or burn him on purpose, for being so annoying -- and frustrated that she keeps saying and doing the wrong things. She can't escape her firescales, and she can't escape her reputation as the deadliest dragon in Pyrrhia. So when she's offered a chance to trade everything for a new life, Peril has to decide who she's really loyal to . . . and whether her own scales might actually be worth saving. The #1 New York Times bestselling Wings of Fire series soars to new heights in the eighth graphic novel adaptation, with art by Mike Holmes.

INTERVIEW SPECIAL!

BEHIND THE SCENES WITH THE CONAN ARCHIVAL TEAM

Titan's Direct Market Coordinator Chief Stride chatted with the Heroic Signatures archival team of Chase Marotz and David Hedgecock about the hugely successful Conan Omnibus series.

CHASE MAROTZ & DAVID HEDGECOCK - HEROIC SIGNATURES

CS: It's no secret that the Heroic Signatures/Titan Comics Conan omnibuses have been well received by fans but take us back to the beginning of this venture. Was the intention always to collect every Conan comic previously published?

CM: I'm not sure I can speak one way or the other on the intention of collecting everything being there from the get-go, but I do think the fan response to the initial collection has highlighted that there is an audience that's hungry for these stories and thinks that collecting the material is important. Broadly, comics were treated as disposable for a very long time, so it is a privilege to be able to help shine a light on work that may have been overlooked and forgotten and give it the treatment befitting the effort that the writers and artists put into these pages, which rule!

DH: I think the intention for the team here at Heroic Signatures is absolutely to preserve and archive every piece of Conan-related comic book material ever published.

CS: Can you give us an idea of the process you have to go through?

CM: It can certainly be a pickle. Conan comics have been published for over half a century at this point, often times with several issues a month and across several different publishers. While we have a 12+ terabyte archive of files we have been pulling from, there are lots of little holes that you don't really know about until you find yourself needing a file. Thankfully, Marvel have been wonderful partners helping us cross-check against what they have in their files, and Colortek has been an incredible help in scanning any original production films that they have access to.

That said, there are gaps there as well, so for missing files, David and I will track down a copy of the issue and scan it ourselves, then have our pals at Digikore help us clean up the files into something nice and print ready. And all that is getting the files, not to mention making the bookmap, working with the designer to build it, then going through these huge tomes to make sure everything is in the right place... it's a lot of hours, that's for sure, but getting to hold something so substantial that you were a part of bringing together is a real treat.

DH: I would add that there are a surprising number of philosophical questions that arise in terms of just how something should be curated and then reproduced. If an error makes its way into the final print version of an original book, is it our jobs to preserve the error or correct it? More importantly, what do we do when the original intent of the creative team is unclear? Was that garish pink the original colorist used a printing error or was that what the colorist wanted? In general, we have chosen a path of caution and generally stick as close to the original as possible, warts and all.

CS: Don Kraar fills *Conan the Reaver* (collected here for the first time) with plenty of tension, suspense and action but for me the star of the show is John Severin's art. How do you feel this sits alongside the stark black and white of the Savage Sword material?

CM: I think of it as a delightful dessert after a satisfying meal. The black and white *Savage Sword* material is a masterclass in the power of pen and ink, and the inclusion of *Conan the Reaver* also demonstrates how powerful a tool color is in defining the Conan's world. Different flavors, all of them delicious! We hope the fans agree.

DH: John Severin is a significant creator within the annals of comic book history so to bring this story back into print was a true honor.

MARVEL COMICS IN THE 1960s

by PIERRE COMTOIS

SOFTCOVER	$27.95	224 PAGES	BW	STD.
Lunar code 0325TM903		Previously solicited		

The **ORIGINAL VOLUME** that launched the acclaimed **"MARVEL COMICS IN THE..."** book series! Presents a step-by-step look at how Marvel Comics emerged as one of the most dynamic, slightly irreverent, and downright original pop-culture forces in the artistic life of America. In scores of handy, easy to reference entries, **MARVEL COMICS IN THE 1960s** takes the reader from the legendary company's first fumbling beginnings as helmed by savvy editor/writer **STAN LEE** (aided by such artists as **JACK KIRBY** and **STEVE DITKO**), to the full maturity of its wild, colorful, offbeat grandiosity. With the company's 1960s history divided into four distinct phases, author **PIERRE COMTOIS** explains just how **LEE, KIRBY, DITKO**, and others created a line of comic books that, while grounded in the traditional elements of panel-to-panel storytelling, broke through the juvenile mindset of a low brow industry and provided a tapestry of full blown pop culture icons.
